

Curtin University

ARTIFICIAL INTELLIGENCE SUMMER BOOTCAMP

EXPRESSION OF INTEREST
FOR HIGH SCHOOL STUDENTS

Do you have a strong interest in computer science and would like to learn more about AI?

Curtin and the Innovation Central will be running an AI Bootcamp between 22nd and 25th January 2018.

You will have the opportunity to access the Chat Bots technologies powered by Cisco and learn to develop useful Apps with them.

Please register your interest with a statement why you are interested in this Boot Camp here - curtin.edu/aibootcamp

Only shortlisted participants will be notified by email.
