

We are in search of local **FAMILIES** to help build **DREAMS**

# JOIN OUR HOST FAMILY FAMILY!

Local families have been educating today's youth by exchanging students overseas through the **Rotary Youth Exchange** program for more than 20 years and we would like to invite you to join our growing family of host parents. The benefits are immeasurable and often build life-long, world-wide friendships!

We are urgently looking for families who can welcome an overseas student into their home for **three months** while they attend **Willetton Senior High School**. Financial and mentoring support is provided.

Starting in April this year, we need host families mid-month between:

**APRIL to JULY 2018**

**JULY to OCTOBER 2018**

**OCTOBER to JANUARY 2019**

**JANUARY to APRIL 2019**

**APRIL to JULY 2019**
